AMENDMENT, REMARKS and ARGUMENTS re the 14 April 2003 Off. Action

HONORABLE Commissioner for Patents  
P. O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

In response to the 14 April 2003 Official Action, kindly note the Amendments, the Remarks, and the Arguments contained on this and the ensuing pages:

Inasmuch as the 22 January 2001-filed drawings do not themselves specifically support said 2001-filed Claims nos. 3, 6, nor 8 (and for only the purposes of 37 CFR 1.83(a)), please so-cancel such 2001-filed Claims nos. 3, 6, and 8, without prejudice.

As to the 2001-filed Claim no. 4: it is respectfully urged that the term "incendescent" is correctly spelled. And please continue to make the 2001-filed Claim no. 7 directly dependent upon Claim 4.

Accordingly, Thus far in the instant paper, Claims nos. 2, 4, 5, 7, and 9, and 10 (24/1/03)remain in this case.

Moreover, on the immediately ensuing page no. 2, new pages today introduce newly-filed Claims no. 11-13.
